

## **Cornerstone Church Liverpool Covid-19 Guidelines**

As we run the sessions to get to know and support students linked to Cornerstone Church Liverpool in the Ramilies Road Cornerstone Liverpool building in the coming weeks, there are a number of guidelines we need to ask you to adhere to whilst in and around the building in order for everyone to be 'Covid-safe':

- Firstly, if you or anyone you have been in close contact with are experiencing Covid-19 symptoms, please do not attend.
- Upon arrival at the building, please use the main entrance to enter the building, but keep a social distance between others in the queue of people (if there is a queue) and please be wearing your mask ready to enter.
- The leader of the session will be on the door to direct you to sign the attendance list so that we can have a fully accurate track and trace record. There will be hand sanitiser on the table with the list, so please ensure you sanitise after signing the record.
- The main church room will be the only room used for the sessions, and we would encourage you to fill up the seats from the front of the room first so that people don't have to walk past each other more than necessary. The seats will have been sanitised before the sessions begin.
- There is only one toilet in use currently (the disabled toilet) to reduce the cleaning burden. In the toilet there is provided a range of cleaning equipment, so if you want to clean anything down before using it please do so. At the end of every session that uses the church the toilet/basin/door lock & handle etc will be thoroughly cleaned down.
- Unfortunately we are not able to provide any refreshments at the moment, but if you would like to bring your own drink with you that is completely fine.
- At all times whilst in the building you will be required to wear a mask unless you have a medical exemption which means you don't have to.
- There may be music being played in the room, but we have to ask you not to sing along, due to the current restrictions on Covid-19 guidelines.
- At the end of the session, you will be asked to leave the room via the fire exit door row by row, from the front row first. There will be hand santister provided near the exit door for you to use should you wish to.

Our hope is that by following these guidelines, you will be able to enjoy meeting together in a safe environment to get to know and support each other in the context of the Cornerstone Church Liverpool family.
